News from the Landscape Partnership

The Penwith Landscape Partnership Board is delighted to let you know that it has now made its second round submission to the Heritage Lottery Fund. The application will be assessed by HLF with a final decision awaited in early December.

At its last Board meeting, the Chairman, Jim McKenna, thanked everyone for their time and commitment in such an important venture.

We would especially like to express our appreciation to everyone who has shared their ideas with us and to those who have been involved in preparing detailed project proposals.
