

# Kynsa ha Diwettha – Agan Tirwedh ha Gonis First and Last - Our Living Working Landscape

## Volunteer Days

Wednesdays and Thursdays 10am - 3pm  
(Tuesdays and occasional weekends will be available in the future)

**Come and learn more about the work we do across Penwith in practical conservation, archaeology, ecology and footpaths.**

We are running volunteer sessions to clear vegetation to uncover some of Penwith's archaeological treasures, restore Cornish hedges and improve access along trails connecting ancient sites.

We need people who are willing to roll up their sleeves and get stuck in, embrace learning new skills and enjoy working outside in all weathers. The sessions are fascinating days out with friendly people - a great way to boost your health and wellbeing.

**These days are free but you will need to bring sturdy footwear, lunch and waterproof/outdoor clothing.**

**All training, tools, equipment and refreshments (tea/coffee and biscuits!) will be provided.**

Other volunteering opportunities are available for a range of different tasks.
