

## CAMPING ON THE TIN COAST

Welcome to the Tin Coast.  
A World Heritage Site and landscape of beauty and significance.

Although we have vast open spaces here in West Cornwall, our roads are often narrow and difficult to navigate for larger vehicles and campervans, so please slow down and take extra care; expect the unexpected around every twist and turn.

The car parks, view points and laybys in this area DEFINITELY DO NOT PERMIT OVERNIGHT CAMPING; however we have sites and parks who welcome camping vehicles & vans, including low cost options.

**PLEASE ENSURE TO CHECK WITH INDIVIDUAL SITES FOR AVAILABILITY AND BOOK AHEAD.**
