Date: 17/08/2023

Dear Sir / Madam

Countywide 20mph Speed Limits - Phase 2 – West Penwith CNA

Cornwall Council intends to implement a 20mph Speed Limit on most residential streets within Botallack, Gulval, Heamoor, Ludgvan, Crowlas, Madron, Mousehole, Newlyn, Tredavoe, Newmill, Paul, Sheffield, Pendeen, Lower Boscawell, Higher Bojewyan, Penzance, Perran Downs, St Hilary, Relubbus, Perranuthnoe, Rosudgeon, Sancreed, St Buryan, St Just, Bosavern, Porthcurno, St Levan, Trethewey, Tregeseal, Trewellard and Carnyorth (in most locations the existing speed limit is currently 30mph). These settlements, which are part of the West Penwith Community Network Area, have previously expressed strong local support for this. 30mph buffers will also be implemented leading up to these, where deemed necessary. Please see additional documentation for further details of settlements affected and proposed extents.

It is considered that implementing a reduced speed limit (20mph) on roads within these areas will make a major contribution towards improving road safety, especially for vulnerable road users, and traffic using these roads. This, in turn, will aid in the achievement of the Council's 'Vision Zero' goal – working towards the prevention of all fatal and serious injuries on the county road network.

The imposition of 20mph speed limits in these locations, should also improve the amenity of these areas and assist in encouraging a transition towards individuals using active travel, particularly for local journeys, resulting in increased journey time reliability and healthier communities. Severance by traffic will also be reduced, facilitating a greater use of local community facilities and enabling more liveable streets. As well as encouraging more social interaction, this may also be beneficial to the local economy.

The wider roll-out of 20mph speed limits is also likely to reduce noise and air pollution, via the reduced need for motor vehicles to use harsh breaking and/or acceleration, providing additional positive health benefits for both visitors and residents alike.

To see which streets are covered by the proposed speed limits, plans showing the proposals can be viewed either online at www.cornwall.gov.uk/TrafficConsult or in person at New County Hall, Treyew Road, Truro, TR1 3AY.

If you have any comments to make on the proposals, I would be grateful to receive these no later than:

8th September 2023

To respond to this consultation, you can either:

1. Use Cornwall Council's Consultation finder, an on-line facility for viewing and responding to traffic consultations. This can be accessed by visiting www.cornwall.gov.uk/TrafficConsult. Once registered you will be able to submit responses to this and other current traffic consultations.
2. E-mail Infrastructure Design on traffic@cormactd.co.uk, quoting the scheme name and reference, and indicating your support or objection to the proposals.
3. Respond in writing using the attached Consultation Response Form, indicating your support or objection to the proposals. Please return the form to the address shown at the foot of it.

If you wish to discuss any aspect of this scheme, please do not hesitate to contact me.

Yours sincerely

Annan Birkett

Privacy Information

CORMAC Solutions Ltd collects personal information from you when you register a consultation response. We will use this information to assist in collating feedback and to respond to you if we require clarification or further information on the response you have provided. The secure management of your information is very important to us and work has been undertaken to ensure that the Company is GDPR compliant.

Please note that any personal information collected from you as part of the consultation process will be securely destroyed within 12 weeks of completion of the scheme. However, you have the right to request that your information is removed at an earlier point, by using the contact details provided in this letter.

If you choose not to provide your address with your response or withdraw your personal information before completion of the scheme, we regret that we may be unable to consider your response in regard to a particular aspect of it. Nonetheless, any points made will still be considered as general comments.

You can find out more information about how your information is used, how we maintain the security of your data and your rights in regard to the information we hold about you on our website: <https://www.corservltd.co.uk/privacy-and-cookie-policy/>

If you have any other queries regarding the use of your data, you can contact the Data Protection Officer at CORSERV Ltd, Western Group Centre, Radnor Road, Scorrier, Redruth, Cornwall TR16 5EH or phone 01872 323 313.
