CASPN volunteers clearing Mulfra Vean

Come and learn more about the work we do across West Penwith in conservation, archaeology, ecology and public rights of way.

We will lead a walk to Mulfra Quoit and down to the 'lost village' of Mulfra Vean. Mulfra Hill offers fantastic views over West Penwith and has a fascinating history and wonderful wildlife. Mulfra Vean dates back to the Iron Age but is now completely hidden by vegetation.

After the walk we will be rolling up our sleeves and start to clear some of the vegetation around the settlement so that over time we will be able to reveal more of this amazing site.

Whether you are a seasoned volunteer or an interested first timer, it promises to be a fascinating, fun day out and we look forward to welcoming you!
